

The Cause Circle

Prayer

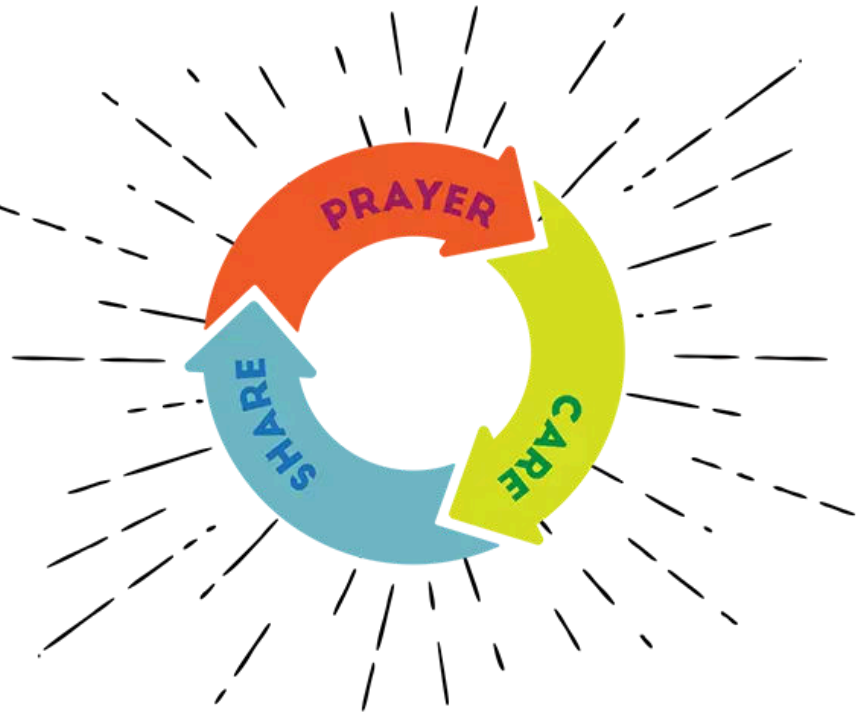

Begin by praying for those you want to reach, as Jesus did, to prepare others' hearts for the message of Jesus. Pray for boldness to communicate the gospel clearly.

Care

Show genuine care for others' needs, both physically and spiritually, by listening and helping them, following Jesus' example.

Share

Clearly and confidently share the gospel, inviting them to trust in Jesus.

The Cause Circle is an easy-to-use tool designed to help you intentionally share Jesus' message with others. It revolves around three simple yet powerful priorities that Jesus demonstrated during his earthly ministry: Prayer, Care, and Share. These same priorities will guide you in effectively sharing your faith.
